Dental Health and Wellness in Vancouver, BC

Welcome to the first edition of the **Image Smiles Dental** newsletter. Occasionally we will be contacting you with dental news, procedure spotlights, and fun tooth trivia.

The big news for us to share in this letter is that we have just finished moving into our brand new offices. **Please note our new location at 750 West Broadway Suite 1404, just across the street from our old location.** We are launching our new **website** at the same time. The new office is a state-of-the-art facility with the latest technology and furnishings to make your visit the best it can be.

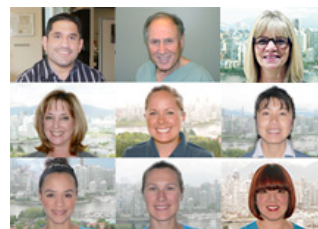

We are hosting a special **Grand Opening Wine & Cheese Reception** on **November 14th from 5-8pm** at the new office, and cordially invite you and your family to attend, take a tour, and see the new equipment and technology available to you. It's a great opportunity to talk to the dentists and staff informally with any questions you might have. We look forward to seeing you there! [Click here](#) for the full invitation, and please send us a [quick email to RSVP](#).

Our **new website** is bursting with information about the various procedures that we offer, information about our staff, downloadable information and forms, and much more. The image below is of the homepage - click on the image or [here](#) to visit our new site today.
